

# LEAGUE RULES

---

The season runs for one year with one \$100 buy-in tournament held on the last Monday of every month for a total of 12 tournaments. The buy-in money is split evenly with half going to the year-end prize pool and half being awarded as prize money at the tournament.

Each member commits to play in at least 10 tournaments per season or have a substitute player play in his place. If no substitute player is available for one of the 10 mandatory sessions, the member's chips will be blinded out. The member is eligible to earn points in this case.

Points are awarded based on order of finish and are tracked throughout the season.

At the end of the season, each player's top ten finishes are tallied to determine the final standings.

The year-end prize pool is then paid out as follows:

- 45% First Place
- 25% Second Place
- 15% Third Place
- 7.5% Season-Ending Tourney Bonus
- 7.5% Voucher Prize

In case of a tie, the prize money is split evenly among the tying players.

## TOURNAMENT RULES

- **Tournament play begins at 7:15 p.m.** and seating is determined by random draw.
